

# Lovatt & Ricketts®

MAKERS OF FINE ENGLISH SADDLES

*Our L & R® Event™ saddle has probably been our most popular saddle over the last twenty years, "often copied but never bettered". This model has found such a following because of its well fitting tree that is compatible with many breeds and the flexibility it gives as an all round saddle that can be used for a variety of disciplines where ideally more than one saddle is needed.*

*The Event™ features a cut back spring tree with recessed stirrup bars. Slightly longer soft padded flaps. Close-contact wool stuffed French style panels with knee and thigh rolls for correct leg position. Enamel head nails and solid brass fittings complete the finish of this model.*

**Leather Options:** Smooth grain waxed finish or X-Grip Walter buffalo™

**Colours:** Havana Brown or Black

**Sizes:** 17", 17½", and 18"

**Tree Widths:** Narrow, Medium or X-Wide
